

Your partner in lifelong wellness

Achieve's new clinic at Lakeview Health Care Center in West Salem, Wisconsin, means that it's easy for residents to access the therapy they need. Residents receive expert care, personally delivered in a dynamic environment.

We offer advanced therapies that can help you get back to doing the things you love.

- Physical, occupational and speech therapy
- Total joint replacement or other post-operative joint surgery rehabilitation
- Post-stroke or other neurological disorder treatment
- Lymphedema management
- Vestibular rehabilitation for vertigo, dizziness, falls, and balance disorders
- Specialized care for swallowing disorders
- Compensatory training for memory loss
- Modalities for pain management

Why choose us?

- Convenient services available locally
- Personalized high quality care provided by expert professionals

Get back to doing the things you love...

Bill

Bowling has been a way of life for Bill Zierke for more than 60 years. After his injury, Achieve Therapy got him back to his game.

Do you need a referral?

It depends. In the state of Wisconsin, in most cases you can begin some therapy services without a physician referral, however, your insurance may require it. Medicare and Medicaid do require a physician referral, but some other HMOs and private insurance companies do not. We can help you determine if you need a referral by contacting your insurance provider on your behalf.

About us

Based in La Crosse County, Achieve Therapy Solutions, founded in 2006, is owned and operated by therapy professionals. The team is composed of experienced clinicians to help patients optimize their physical, occupational and speech therapy outcomes. They provide outpatient services in skilled nursing facilities and independent outpatient therapy clinics throughout Wisconsin. For more information, go to www.achievetherapy.com or call 877-526-9888.
